Mr. Wor-ley won the money, Mr. Owens coming in second; Mr. Jones got in some half hour or so after the others.

FOURTH BACE. While time was being lost skirmishing

1:48, leading Larkin by a neck and Eight making a tremendous effort for the that day is supposed to have been in reference to her illustrious grand-father's on the second mile Ontario had put made the turn a full neck and shoulder birthday, which there is every reason to from near the half to the third quarter, and it was thought that she had the heat, with every admirer of Shakspears, would Larkin bravely field his own, making a easily, Crystal's rider, "Bubby," played like to have solved, and, as our friend up and succeeded in lessening the distance her, coming under the string a neck confer a favor by answering for us, between himself and the front. Down ahead, and winning the heat in 1:52,

SECOND HEAT. The result of the former heat created ensiderable constornation at first among Theta's backers, and her stock fell a ttle, recovering however immediately, under the impression that she was jockeyed out of the heat. In the Interim a drizzling rain came on and lasted perhaps ten minutes, during which the riders were called up and norses mounted. Hobbs, judgment below affirmed. the track meanwhile becoming very heavy and slushy.

A beautiful start was obtained, there being not a hand's breadth between them, and from the string to the first quarter a blanket would have covered them both, and not much change was made in their positions until the half up and shake harself, and putting her 1919 Mongee vs Etchervine, best foot forward, not only regained her position along side of Crystal, but at the turn brushed ahead and came down the home stretch, and crossing the line a balf length ahead, making the first mile consists thus under the arrive, and winpassing thus under the string, and winning the heat amid the rousing cheers of

THIRD HEAT. The last heat completely restored the In the pools she sold five to one with few buyers, and bets of \$29 to \$5 seldom finding a taker.

Another capital start was made, Theta having perhaps a little the advantage, which she increased from the word "go to the haif pole, being a neck at quarter, and a full length at the hait. Picket & Wormley ve Walker-judgment this position they kept down the for defendant. able entirely to effect, although his rider timber unsparingly. R:21 the race is not always to the swift, and oming down the home stretch an unfortunate incident again caused victory to perch on the banner of Crystal. As the horses neared the distance stand something eaused Theta to shy, and Crystal, keeping on the even tenor of his way, made up for lost time, or lack of speed, and again 1-d the mare across the string, by a half length, winning the beat and the race. Time, 2:02]. Tois was a "sockdologer"-a regular sweetener to betters on the favorite, and raised the spirits and funds of the backers of the field. A good many who have been losing ever since the meeting be-

ST GEORGE'S DAY.

St. George, according to Gibbon, was anything but our idea of a Christian saint or martyr, being on the contrary a regular, out and out, first-class army contractor and swindler. He was a nativa of E iphania in Cicelia, and sprang from poor but dishonest parents, who at an early period in his lifetime determined that he should follow the profession of arms. He managed to get into the quartermaster's department, and soon district, and five in the Second, yesterday | became an expert. His first operation that history (says Giobon, mind you,) gives us any account of, was when he -Aladdin was played at the theater was ordered to to purchase a large lot of last night. The press, for want of room, "broken" mules. The order meant brorowds out a more extended notice. The | sen to harness; but George (ilke a Hessian quartermaster near Mobile during the late uppleasantness) chose to conon the Mississippi Central Rullroad was washed away by the late freshet, both at strue it literally, and bought all the br Vaughan's and Goodman's. The damgiving about ten dollars a head for them and charging the Government in his abstract of purchases two hundred a head. He and the inspectors shared the profits. embroglia does not seem be at all on the wane among the "cullud poperlashun."

He and the inspectors shared the profits. Having made a good thing out of this purchase, he determined to quit the regpurchase, he determined to quit the regular service and go into something that

-We have plea use in recommending get is out of Cicelia. He afterwards became a zealous convert to Arianism, and made himself an conspicuous in his new the men of experience in their profession vocation, that he was sent his new and worthy the patronage of the public.

Their office is 317 Main street, room 34, bishoppic of Alexandria. To show his lackson Rhosk. Give there and zeal in the cause of christianity, he here plundered the pagan temples of all their valuables, and taxed the people until menced to fall, and which the riders were called for the fourth race, voluntated as the left their burthers were called for the fourth race, voluntated processes and the following were the enters of il. The following were the enters of the world, is the date of the inters the present day. He also stolk their echool fund, which fewer the few e of S. rations on Avon, as follows: "1564, Apr. 26 Gulielmus filius Johannes Shak however, or ekly reinstant by the west, however, or ekly reinstant by the west, however, or ekly reinstant by the west, however, or ekly reinstant by the west,

> that our St. George was not this vile reprobate, but a native of Cappadocia where he was born about the middle o the third century, and where he suffered martyrdom under Disoletian on the 28 of April, A. D 290. He was a soldier and the very highest rank. Being ordered by Diocletian, in whose service he was, to perform some cruel and bloody act, he

broke into the jail, disguised as Ku-Kiux,

Whatever may be bis true history, he to him alone, and after the conquest that day was celebrated with the greatest pomp. In 1344, this feast was made more note by the grand tourney which reited in the foundation of the order of St. George. Heary V. decreed that the

served with great splender. Tochill vs Teohill, replevin, judgment | In old times the standard of St. George was borne before the kings of England of English warriors. According to Shak-Henry V. led the stack J.G. LOSSDALE Wednesday's calendar will be ever, is not the only country that lought brought up, together with the following under the banner of St. George. Arra-

The story of his fight with the dragon was at first told symbolically, to typify his strength in behalf of coristianity, the dragon being Diocletian the tyrant, or the beast in the Apocalypse, and the fair malden whom he was about to deyour, the Christian Faith and Church. Like all such stories, however, our forearthers in the middle ages, with their ondness for the marvelous, and especialy dragon stories, realized it, and St. Seorge is ever represented as armed cap

his spear. St. George's day is made the occasion now-a days, by Englishmen abroad, of pleasant reunions, in memory of their nomes and kindred in Merrie England; colony of Englishmen in a foreign coun

ociety."
